**ANNOUNCEMENT RELATING TO
MRI HOLDINGS LIMITED**

This announcement is made by ITC Corporation Limited (“**ITC**”) and Hanny Holdings Limited (“**Hanny**”), an indirect non-wholly owned subsidiary of ITC, pursuant to the requirement of Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited to provide the shareholders of ITC and Hanny with the information of MRI Holdings Limited (the “**Company**”), an approximately 56.7% owned subsidiary of Hanny, which has published an announcement on the Australian Securities Exchange (the “**ASX**”) on 25 January 2007, the contents of which are reproduced as follows:

“Listing Rule 12.3 requires that a company shall not hold more than half of its total assets in the form of cash or assets readily convertible to cash.

The ASX granted re-instatement to trading in the Company’s shares on 13 January 2006, albeit that the Company at that time held 60% of its total assets in the form of cash or assets readily convertible to cash.

As at today’s date the Company holds 58% of its total assets in this form.

The ASX have now advised the Company that it has until 24 April 2007 to comply with listing rule 12.3, which will require the Company to hold less than 50% of its total assets in cash and cash equivalents. If the Company cannot demonstrate that it is in the process of complying by this date, the ASX will suspend trading in the Company’s shares.

The directors of the Company have assessed a number of possible investment opportunities for the Company since re-instatement, however none have satisfactorily met the strict investment criteria previously imposed on the Company by the ASX and shareholders.

The directors will continue in their efforts to identify suitable investments.”
