## LETTER FROM THE BOARD

### REFRESHING OF THE 10% LIMIT ON GRANT OF OPTIONS UNDER THE SHARE OPTION SCHEME

By ordinary resolution passed at the special general meeting of Shareholders held on 16th January, 2002, the Company adopted the Share Option Scheme.

Pursuant to the Share Option Scheme, the maximum number of Ordinary Shares which may be issued upon the exercise of options which may be granted under the Share Option Scheme and any other share option scheme(s) of the Company shall not exceed 10% of the total number of issued Ordinary Shares as at the date of Shareholders' approval of the Share Option Scheme ("Scheme Mandate Limit"). The Company may refresh the Scheme Mandate Limit by an ordinary resolution of the Shareholders at general meeting provided that the Scheme Mandate Limit so refreshed shall not exceed 10% of the total number of issued Ordinary Shares as at the date of Shareholders' approval of the refreshing of the Scheme Mandate Limit. Options previously granted under any existing schemes (including options outstanding, cancelled, or lapsed in accordance with the relevant scheme rules or exercised options) shall not be counted for the purpose of calculating the limit as refreshed.

Notwithstanding the foregoing, the maximum number of Ordinary Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other share option scheme(s) of the Company must not in aggregate exceed 30% of the total number of Ordinary Shares in issue from time to time.

As at 16th January, 2002 (being the date of adoption of the Share Option Scheme), the total number of issued Ordinary Shares was 630,960,774, thus the Scheme Mandate Limit was 63,096,077 Ordinary Shares. By ordinary resolution passed on 15th May, 2006, the Scheme Mandate Limit was refreshed. The current Scheme Mandate Limit is 183,749,514 Ordinary Shares (represented approximately 10% of the Ordinary Shares in issue as at 15th May, 2006).

As at the Latest Practicable Date, there were in issue 2,172,982,368 Ordinary Shares and no options under the Share Option Scheme have been granted since its date of adoption. No options under the Share Option Scheme or any other share option scheme(s) of the Company were outstanding as at the Latest Practicable Date.

Assuming no further issue or repurchase of Ordinary Shares prior to the Annual General Meeting, upon the refreshing of the Scheme Mandate Limit by Shareholders at the Annual General Meeting, the Company may grant options entitling holders thereof to subscribe for a total of 217,298,236 Ordinary Shares (representing approximately 10% of the Ordinary Shares in issue as at the date of the Annual General Meeting approving the refreshing of the Scheme Mandate Limit).

No options may be granted if this will result in the number of Ordinary Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other share option scheme(s) of the Company exceed 30% of the Ordinary Shares in issue from time to time.

The Company believes the refreshment of the Scheme Mandate Limit would allow the Company to achieve the purpose of the Share Option Scheme which is to provide incentive or reward to Eligible Persons for their contribution to, and continuing efforts to promote the interests of, the Company. The Directors consider that the refreshing of the Scheme Mandate Limit is in the interests of the Company and the Shareholders as a whole as it provides the Company with more flexibility in providing incentives to those Eligible Persons by way of granting of options.

The refreshing of the Scheme Mandate Limit is conditional on:

- (a) the passing of an ordinary resolution to approve the refreshing of the Scheme Mandate Limit by the Shareholders at the Annual General Meeting; and
- (b) the Listing Committee of the Stock Exchange granting listing of and permission to deal in the Ordinary Shares (representing 10% of the Ordinary Shares in issue as at the date of the Annual General Meeting approving the refreshing of the Scheme Mandate Limit) which may fall to be issued pursuant to the exercise of options under the Share Option Scheme and any other share option scheme(s) of the Company.

Application will be made to the Listing Committee of the Stock Exchange for the approval of the listing of and permission to deal in the Ordinary Shares (representing a maximum of 10% of the Ordinary Shares in issue as at the date of the Annual General Meeting approving the refreshing of the Scheme Mandate Limit) which may fall to be issued pursuant to the exercise of options under the Share Option Scheme and any other share option scheme(s) of the Company.

### AMENDMENTS TO THE SHARE OPTION SCHEME

To enhance the ability of the Company with a flexible means of incentivising, rewarding, remunerating, compensating and/or providing benefits to a broader range of eligible persons under the Share Option Scheme, the Directors propose to broaden the definition of “Eligible Person(s)” under the Share Option Scheme. Currently, “Eligible Person(s)” under the Share Option Scheme only means any employees of the Group and any Director or director of the Group. The Directors propose to broaden the range of “Eligible Person(s)” to include, inter alia, supplier, adviser, agent, consultant, or contractor for the provision of goods or services to any member of the Group or any invested entity and its subsidiaries and any vendor, customer or celebrity of the Group or any invested entity and its subsidiaries, any person or entity that provides research, development or other technological support to any member of the Group and any shareholder of any member of the Group or any invested entity and its subsidiaries or any holder of any securities issued by any member of the Group or any invested entity and its subsidiaries. With the proposed major amendments as described above, there will also be amendments to the rules of the Share Option Scheme to take into account inter alia, the wider definition of “Eligible Person(s)”.

As at the Latest Practicable Date, no share options have been granted pursuant to the Share Option Scheme. In accordance with the Listing Rules, the proposed amendments will be subject to the approval of the Shareholders.

### GENERAL MANDATES TO ISSUE ORDINARY SHARES AND TO REPURCHASE SECURITIES

At the annual general meeting of the Company held on 13th September, 2006, general mandates were granted to the Directors authorising them, inter alia, (a) to exercise the powers of the Company to allot and issue Ordinary Shares not exceeding 20% of the Ordinary Share Capital as at 13th September, 2006; (b) to repurchase Securities not exceeding 10% of the Ordinary Share Capital and of the Preference Share Capital, respectively, as at 13th September, 2006; and (c) to extend the general mandate to issue the Ordinary Shares by the number of Ordinary Shares purchased under the repurchase mandate mentioned in (b) above. The general mandate to issue new Ordinary Shares on 13th September, 2006 was almost fully utilised. Such general mandates will expire at the conclusion of the Annual General Meeting. Ordinary resolutions will be proposed at the Annual General Meeting to authorise the Directors, inter alia, (i) to exercise the powers of the Company to allot and issue Ordinary Shares not exceeding 20% of the Ordinary Share Capital as at the date of the passing of such resolution; (ii) to repurchase Securities not exceeding 10% of the Ordinary Share Capital and of the Preference Share Capital, respectively, as at the date of the passing of such resolution; and (iii) to extend the general mandate to issue the Ordinary Shares by the number of Ordinary Shares purchased under the Securities Repurchase Mandate.

The Directors believe that it is in the interests of the Company and the Shareholders as a whole if the General Mandates are granted at the Annual General Meeting. The General Mandates provide the Directors with flexibility to issue Ordinary Shares especially in the context of a fund raising exercise or a transaction involving an acquisition by the Company where Ordinary Shares are to be issued as consideration and which has to be completed speedily. However, as at the Latest Practicable Date, the Directors have no present intention of any acquisition by the Company nor any plan for raising capital by issuing new Ordinary Shares.

An explanatory statement providing all the information required under the Listing Rules concerning the Securities Repurchase Mandate is set out in the Appendix I to this circular.

### RE-ELECTION OF RETIRING DIRECTORS

Pursuant to bye-law 98(A) of the Bye-laws, Mr. Chan Fut Yan, Mr. Chuck, Winston Calptor and Mr. Lee Kit Wah shall retire from office by rotation at the Annual General Meeting. Brief biographical and other details of the retiring Directors offering themselves for re-election, which are required to be disclosed under the Listing Rules, are set out in the Appendix II to this circular.

Mr. Chuck, Wiston Calptor and Mr. Lee Kit Wah, being independent non-executive Directors eligible for re-election at the Annual General Meeting, have provided their annual confirmations of independence pursuant to Rule 3.13 of the Listing Rules. The Company is of the view that Mr. Chuck, Winston Calptor and Mr. Lee Kit Wah meet the independence guidelines set out in Rule 3.13 of the Listing Rules and are independent in accordance with the terms of the guidelines.

### INCREASE OF AUTHORISED SHARE CAPITAL

As at the Latest Practicable Date, the existing authorised share capital of the Company was HK\$328,000,000 divided into 3,000,000,000 Ordinary Shares and 280,000,000 Preference Shares, of which 2,172,982,368 Ordinary Shares and 266,062,000 Preference Shares were in issue. In order to accommodate future expansion and growth of the Group, the Company proposes to increase its authorised share capital from HK\$328,000,000 divided into 3,000,000,000 Ordinary Shares and 280,000,000 Preference Shares to HK\$1,028,000,000 divided into 10,000,000,000 Ordinary Shares and 280,000,000 Preference Shares by the creation of additional 7,000,000,000 Ordinary Shares of HK\$0.10 each.

The proposed increase in authorised share capital of the Company is conditional upon the passing of an ordinary resolution by the Shareholders at the Annual General Meeting.

### ANNUAL GENERAL MEETING

A notice convening the Annual General Meeting is set out on pages 12 to 16 of this circular at which resolutions will be proposed, inter alia, to approve the refreshing of the Scheme Mandate Limit, the amendments to the Share Option Scheme, the grant of the General Mandate and the increase of authorised share capital.

A form of proxy for use by the Shareholders at the Annual General Meeting is enclosed. If you do not intend to attend the meeting, you are requested to complete the form of proxy in accordance with the instructions printed thereon and return it to the principal place of business of the Company in Hong Kong at 30th Floor, Bank of America Tower, 12 Harcourt Road, Central, Hong Kong as soon as possible and in any event not less than 48 hours before the time appointed for holding of the Annual General Meeting or any adjournment thereof (as the case may be). Completion and return of the form of proxy will not preclude you from attending and voting in person at the meeting or any adjournment thereof should you so wish.

### PROCEDURE FOR DEMANDING A POLL

Pursuant to bye-law 79 of the Bye-laws, at any general meeting a resolution put to the vote at the meeting shall be determined by a show of hands of members present in person or by a duly authorised corporate representative or by proxy entitled to vote unless voting by way of a poll is required by the rules of the designated Stock Exchange or a poll is (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) demanded:

- (1) by the Chairman of the meeting; or
- (2) by at least three members present in person or by a duly authorised corporate representative or by proxy for the time being entitled to vote at the meeting; or
- (3) by any member or members present in person or by a duly authorised corporate representative or by proxy and representing not less than one-tenth of the total voting rights of all the members having the right to vote at the meeting; or
- (4) by any member or members present in person or by a duly authorised corporate representative or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the shares conferring that right; or
- (5) if required by the rules of the designated Stock Exchange, by any Director or Directors who, individually or collectively, hold proxies in respect of shares representing five per cent. (5%) or more of the total voting rights at such meeting, and if on a show of hand a meeting votes in the opposite manner to that instructed in those proxies, provided that if it is apparent from the total proxies held that a vote taken on a poll shall not reverse the vote taken on a show of hands, then the Director or Directors shall not be required to demand a poll.

In accordance with the requirements of the Listing Rules, the results of the polls will be published by way of an announcement on the websites of the Stock Exchange and the Company.

### RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable enquires, that to the best of their knowledge and belief there are no other facts the omission of which would make any statement herein misleading.

### RECOMMENDATION

The Directors consider that the refreshing of the Scheme Mandate Limit, the amendments to the Share Option Scheme, the grant of the General Mandates and the increase in the authorised share capital of the Company is in the interest of the Company and the Shareholders as a whole and recommend the Shareholders to vote in favour of all resolutions to be proposed at the Annual General Meeting.

Yours faithfully,  
On behalf of the Board of  
**ITC Corporation Limited**  
**Dr. Chan Kwok Keung, Charles**  
*Chairman*

This is an explanatory statement given to the Shareholders relating to a resolution authorising the Company to repurchase its own Ordinary Shares and Preference Shares proposed to be passed by the Shareholders by means of an ordinary resolution at the Annual General Meeting.

This explanatory statement contains a summary of the information required pursuant to rule 10.06 of the Listing Rules which is set out as follows:

**Share capital**

- As at the Latest Practicable Date, the authorised share capital of the Ordinary Shares and Preference Shares were 3,000,000,000 Ordinary Shares and 280,000,000 Preference Shares, of which a total of 2,172,982,368 Ordinary Shares and 266,062,000 Preference Shares were issued and fully paid.
- Assuming that no further Ordinary Shares or Preference Shares are issued or repurchased after the Latest Practicable Date and before the date of Annual General Meeting, there will be 2,172,982,368 Ordinary Shares and 266,062,000 Preference Shares in issue, and exercise in full of the Securities Repurchase Mandate would result in up to a maximum of 217,298,236 Ordinary Shares and 26,606,200 Preference Shares being repurchased by the Company during the relevant period referred to in the ordinary resolution numbered 5(E) of the notice of the Annual General Meeting.

**Reasons for repurchases**

- The Directors believe that it is in the best interests of the Company and the Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Directors to purchase the Securities on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Ordinary Share and will benefit the Company and the Shareholders.

**Funding of repurchases**

- The repurchase of Ordinary Shares and/or Preference Shares shall be made with funds legally available for such purpose in accordance with the Company's memorandum of association and the Bye-laws and the applicable laws of Bermuda. Under Bermuda law, repurchases may only be effected out of the capital paid up on the purchased Ordinary Shares and/or Preference Shares or out of funds of the Company otherwise available for dividend or distribution or out of the proceeds of a fresh issue of shares made for the purpose. Any premium payable on a purchase over the par value of the Ordinary Shares and/or the Preference Shares to be purchased must be provided for out of funds of the Company otherwise available for dividend or distribution or out of the Company's share premium account before the Ordinary Shares and/or the Preference Shares are repurchased. It is envisaged that the funds required for any repurchase would be derived from such sources.
- As compared to the financial position of the Company as at 31st March, 2007 (being the date of the Company's latest audited accounts), the Directors consider that the repurchases of securities will have no material adverse impact on the working capital and the gearing position of the Company in the event that the Securities Repurchase Mandate were to be exercised in full at any time during the proposed repurchase period. The Directors do not propose to exercise the Securities Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

**Directors, their associates and connected persons**

- None of the Directors or, to the best of their knowledge having made all reasonable enquiries any of their associates, as defined in the Listing Rules, has any present intention, in the event that the Securities Repurchase Mandate is approved by the Shareholders, to sell Ordinary Shares and/or Preference Shares to the Company.

- No connected person, as defined in the Listing Rules, has notified the Company that he has a present intention to sell Ordinary Shares and/or Preference Shares to the Company, or has undertaken not to do so, in the event that the Securities Repurchase Mandate is approved by the Shareholders.

#### Undertaking of the Directors

- The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Securities Repurchase Mandate in accordance with the Listing Rules, the Bye-laws and the applicable laws of Bermuda.

#### Share repurchase made by the Company

- The Company had not purchased any Securities, whether on the Stock Exchange or otherwise, in the six months preceding the Latest Practicable Date.

#### GENERAL

If as a result of a repurchase of Ordinary Shares a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purpose of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. If the Company were to repurchase Ordinary Shares up to the permitted maximum of 10% of the Ordinary Share Capital, such parties may together with any other parties acting in concert with them become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Galaxyway, which is ultimately and beneficially owned by Dr. Chan Kwok Keung, Charles ("Dr. Chan"), held 642,939,242 Ordinary Shares, representing approximately 29.59% interest in the Ordinary Share Capital. Dr. Chan also personally held 12,312,000 Ordinary Shares, representing approximately 0.56% of Ordinary Share Capital. On the basis that no further Ordinary Shares are issued or repurchased and that there is no change in shareholding in the Company owned by Galaxyway and Dr. Chan and in the event that the Securities Repurchase Mandate is exercised in full, the shareholding of Galaxyway and Dr. Chan would, in aggregate, be increased to approximately 33.50% of the Ordinary Share Capital. Should such increase arise, Galaxyway and Dr. Chan would not be required to make a mandatory offer for all Securities not already owned by them or their concert parties under Rule 26 of the Takeovers Code. The Directors have no present intention to exercise the Securities Repurchase Mandate to an extent which will result in the number of Securities held by the public being reduced to less than 25%.

#### PRICES OF THE SECURITIES

The highest and lowest prices at which the Ordinary Shares and the Preference Shares were traded on the Stock Exchange during each of the twelve months preceding the Latest Practicable Date were as follows:

	Ordinary Shares		Preference Shares	
	Highest HK\$	Lowest HK\$	Highest HK\$	Lowest HK\$
