DISCLOSEABLE TRANSACTION WITH WUHAN RIXIN TECHNOLOGY HOLDING COMPANY LIMITED

On 13 December 2015, Jinfu Solar Energy (an indirect subsidiary of GCL-Poly and an indirect wholly owned subsidiary GNE) as principal entered into an engineering, procurement and construction agreement with Wuhan Rixin Technology (an independent third party of GCL-Poly and GNE) as contractor in relation to a 110MW photovoltaic power station project located in Zhongguanyi Town, Macheng City of Hubei Province in the PRC (the “**Project**”) at a consideration of RMB940,500,000 (equivalent to approximately HK\$1,132,550,100) (the “**EPC Agreement**”).

In addition, on 10 December 2015, Suzhou GCL New Energy (an indirect wholly-owned subsidiary of GCL-Poly and GNE) as purchaser entered into a share purchase agreement (the “**SPA**”) with Wuhan Rixin Energy (an independent third party of GCL-Poly and GNE) as vendor to acquire the entire equity interest in Jinfu Solar Energy for a consideration of RMB45,000,000 (equivalent to approximately HK\$54,189,000). Wuhan Rixin Energy is a wholly owned subsidiary of Wuhan Rixin Technology.

LISTING RULE IMPLICATIONS

The entering into of the SPA did not constitute a discloseable transaction of GCL-Poly and GNE pursuant to Chapter 14 of the Listing Rules.

As the SPA was entered into with Wuhan Rixin Energy within a 12-month period prior to and inclusive of the date of the EPC Agreement, and Wuhan Rixin Energy is a wholly owned subsidiary of Wuhan Rixin Technology, the EPC Agreement and the SPA will be aggregated as a series of transactions pursuant to Rule 14.22 of the Listing Rules.

As one or more of the applicable percentage ratios in respect of the EPC Agreement and the SPA (in aggregate) exceeds 5% but is less than 25% for GCL-Poly, the entering into of the EPC Agreement and the SPA, in aggregate, constitutes a discloseable transaction of GCL-Poly and GCL-Poly shall comply with the reporting and announcement requirements under Chapter 14 of the Listing Rules.

As one or more of the applicable percentage ratios in respect of the EPC Agreement and the SPA (in aggregate) exceeds 5% but is less than 25% for GNE, the entering into of the EPC Agreement and the SPA, in aggregate, constitutes a discloseable transaction of GNE and GNE shall comply with the reporting and announcement requirements under Chapter 14 of the Listing Rules.

1. PRINCIPAL TERMS OF THE EPC AGREEMENT

(i) Date

13 December 2015

(ii) Parties

Principal: Jinfu Solar Energy

Contractor: Wuhan Rixin Technology

(iii) Subject matter

Jinfu Solar Energy agreed to engage Wuhan Rixin Technology as contractor to provide engineering, procurement and construction services in relation to the Project. The Project is divided into three phases comprising (i) an initial phase of 50MW of production capacity (the “**First Phase**”); (ii) the second phase of up to an aggregate of 90MW of production capacity (the “**Second Phase**”); and (iii) the final phase of up to an aggregate of 110MW of production capacity (the “**Final Phase**”). It is expected that the construction of the First Phase will be completed in December 2015. The construction of the Second Phase and Final Phase is expected to be completed before 30 December 2015 and 1 February 2016 respectively. It is also expected that the Construction Completion Certificate* (工程竣工驗收鑑定書) will be obtained before 30 May 2016.

(iv) Basis of consideration

The consideration for the services under the EPC Agreement shall be RMB940,500,000 (equivalent to approximately HK\$1,132,550,100) (the “**Consideration**”)

The EPC Agreement was negotiated and entered into on an arm’s length basis and on normal commercial terms. The Consideration was determined with reference to (a) the quality standard of the services to be provided under the EPC Agreement; (b) the profit margin of the Project; and (c) the prevailing market price.

(v) Payment terms

The Consideration shall be paid by Jinfu Solar Energy to Wuhan Rixin Technology in five instalments in accordance with the following milestones:

First Instalment	20% of the Consideration, within three business days after Wuhan Rixin Technology has issued to Jinfu Solar Energy a value-added tax invoice for RMB400,000,000 (equivalent to approximately HK\$481,680,000) and the successful on-grid connection of the First Phase of the Project
Second Instalment	up to RMB400,000,000 (equivalent to approximately HK\$481,680,000) of the Consideration before 30 December 2015, within three business days of completing 90MW of on-grid connection for the Project
Third Instalment	up to 80% of the Consideration, within three business days after Wuhan Rixin Technology has issued to Jinfu Solar Energy an invoice for up to 80% of the Consideration and the successful on-grid connection of the full capacity of the Project
Fourth Instalment	up to 90% of the Consideration, within three business days after Wuhan Rixin Technology has issued to Jinfu Solar Energy an invoice for up to 100% of the Consideration and the Project has passed relevant third party quality checks
Fifth Instalment	up to 100% of the Consideration, within three business days after the expiration of one year following the issuance of the Construction Completion Certificate* (工程竣工驗收鑑定書)

2. PRINCIPAL TERMS OF THE SPA

(i) Date

10 December 2015

(ii) Parties

Purchaser: Suzhou GCL New Energy

Vendor: Wuhan Rixin Energy

(iii) Equity interests acquired

Pursuant to the SPA, Suzhou GCL New Energy agreed to acquire the entire equity interest in Jinfu Solar Energy from the Wuhan Rixin Energy for a total consideration of RMB45,000,000 (equivalent to approximately HK\$54,189,000). Completion under the SPA took place on 11 December 2015.

The consideration under the SPA was determined on normal commercial terms after arm's length negotiations between Suzhou GCL New Energy and the Wuhan Rixin Energy after taking into account the actual paid up share capital of Jinfu Solar Energy.

Information about Jinfu Solar Energy

Jinfu Solar Energy is a company incorporated in the PRC with limited liability on 2 September 2014 and was set up by Wuhan Rixin Energy as a project company for the operation and development of the Project.

Based on the unaudited financial information of the Jinfu Solar Energy provided by Wuhan Rixin Energy, the unaudited total asset and net asset value of Jinfu Solar Energy as at 30 November 2015 were RMB45,000,000 (equivalent to approximately HK\$54,189,000) and RMB45,000,000 (equivalent to approximately HK\$54,189,000) respectively. For the financial year ended 31 December 2014, the unaudited net profit (before and after taxation and extraordinary items) of Jinfu Solar Energy was nil.

3. REASONS AND BENEFITS OF THE TRANSACTION

Since May 2014, GNE has announced various renewable energy projects and acquisitions relating to the new nature and scope of the business of GNE. The acquisition of Jinfu Solar Energy provides an opportunity for the GNE Group to further expand in the solar energy industry which is a core part of the GNE Group's strategy.

As a developer of photovoltaic power station projects, the GNE Group has to engage contractors to provide engineering, procurement and constructions services to construct its power generation projects. Wuhan Rixin Technology is an established engineering, procurement and construction contractor and has extensive local resources. The GNE Group believes that it can deliver service at a quality standard which meets the expectations of the GNE Group.

Based on the above reasons, the GNE Directors believe and consider that the terms of the EPC Agreement and the SPA are fair and reasonable and are in the interests of GNE and the GNE Shareholders as a whole.

Accordingly, based on the views of the GNE Directors and having considered all relevant factors, the GCL-Poly Directors believe and consider that the terms of the EPC Agreement and the SPA are fair and reasonable and are in the interests of GCL-Poly and the GCL-Poly Shareholders as a whole.

4. LISTING RULES IMPLICATIONS

The entering into of the SPA did not constitute a discloseable transaction of GCL-Poly and GNE pursuant to Chapter 14 of the Listing Rules.

As the SPA was entered into with Wuhan Rixin Energy within a 12-month period prior to and inclusive of the date of the EPC Agreement, and Wuhan Rixin Energy is a wholly owned subsidiary of Wuhan Rixin Technology, the EPC Agreement and the SPA will be aggregated as a series of transactions pursuant to Rule 14.22 of the Listing Rules.

As one or more of the applicable percentage ratios in respect of the EPC Agreement and the SPA (in aggregate) exceeds 5% but is less than 25% for GCL-Poly, the entering into of the EPC Agreement and the SPA, in aggregate, constitutes a discloseable transaction of GCL-Poly and GCL-Poly shall comply with the reporting and announcement requirements under Chapter 14 of the Listing Rules.

As one or more of the applicable percentage ratios in respect of the EPC Agreement and the SPA (in aggregate) exceeds 5% but is less than 25% for GNE, the entering into of the EPC Agreement and the SPA, in aggregate, constitutes a discloseable transaction of GNE and GNE shall comply with the reporting and announcement requirements under Chapter 14 of the Listing Rules.

To the best of the knowledge, information and belief of the GCL-Poly Directors and GNE Directors having made all reasonable enquiries, Wuhan Rixin Technology and Wuhan Rixin Energy and each of its respective ultimate beneficial owners are third parties independent of GCL-Poly and GNE and each of its connected persons.
