VOLUNTARY ANNOUNCEMENT
HONOR OF WORLD OUTSTANDING LEADERSHIP AND
TECHNOLOGY INNOVATION

This announcement is made by AOM International Group Company Limited (the “**Company**”) and its subsidiaries (collectively referred to as the “**Group**”) on a voluntary basis.

The Company is pleased to announce that Mr. Li Lizhong (“**Mr. Li**”), one of the executive directors and the co-chairman of the Company, fellow of the Canadian Academy of Social Sciences and chief scientist of National Financial Security and System Equipment Engineering Research Center of China, has recently been awarded the honor of “World Outstanding Leadership and Technology Innovation (世界創新領袖人物)” by the United Nations Sustainable Development Goals Organization (聯合國永續發展目標組織), to recognise Mr. Li’s outstanding achievements in academic research, leadership, and social influence in the field of the United Nations Sustainable Development Goals. In addition, Mr. Li has been invited to serve as a member of the Global Academician Committee on Leadership and Technology Innovation.

The United Nations aims to, through the “Global Sustainable Development Goals” program, achieve eight objectives over a 15-year period: eradication of poverty and hunger, basic education popularization, promotion of gender equality, reduction of child mortality, improvement of maternal health, combat against viruses, ensuring of environmental sustainability and fostering of global partnerships.

* For identification purposes only

Against the backdrop of rapid technological advancement and increasing global connectivity, the United Nations Sustainable Development Goals have become a guiding compass for technological progress. Mr. Li of the Company, as a leader in the scientific field, particularly in interdisciplinary applications such as computer science and blockchain technology thereof, has long been committed to utilizing his expertise to drive industrial innovation practices. His efforts have significantly contributed to the advancement of multiple sustainable development goals of the United Nations.

The distinguished honor bestowed upon Academician Li Lizhong will further enhance the Company's international competitiveness in the Web 3.0 digital intelligence era, and the Group will continue to further its development in technological innovation, supporting the global sustainable development goals as they progress to a new stage.

Looking ahead, the Group will focus on its core business and strive to seize opportunities to continuously leverage the development potential of new business, to enhance the corporate governance, continue to refine and standardise the management structure of the Company, and enhance the comprehensive risk management system, so as to create value for its shareholders.

By order of the Board
AOM International Group Company Limited
Yang Ling
Chairman

Hong Kong, 13 February 2025
